Chief, Bureau of Solid Waste Management

Commissioner, Department of
Environmental Protection

Date December 12, 1972

Certificate No. 14141001

This Certificate is Non-Transferable. This Certification shall in no way prejudice any claim that the State may have to riparian lands.

1407A

This certificate of registration is conditioned upon the following:

1. No liquid or soluble industrial materials shall be received for disposal at this site.
2. Approval shall be obtained from the County Engineer for the County of Morris for the alterations in surface water drainage which have been, or will be, created during the operation of this solid waste disposal facility. Said approval shall be in the form of a written statement and shall be submitted to the Department of Environmental Protection, Bureau of Water Control, no later than 90 days from the date of issuance of this Certificate.

Failure to comply with any or all limitations heretofore mentioned will result in the Department seeking relief under N.J.S.A.13:1E, et seq. (Solid Waste Management Act, 1970) which is hereinafter incorporated by reference. Specifically N.J.S.A.13:1E-12.

N.J.S.A.13:1E-12: The department, after hearing, may revoke or suspend the registration issued to any person engaged in the solid waste collection or solid waste disposal upon a finding that such person:

- a. Has violated any provision of this act or any rule, regulation, or administrative order promulgated hereunder; or
- b. Has violated any provision of any laws related to pollution of the waters, air or land surfaces of the State; or
- c. Has refused or failed to comply with any lawful order of the department.
